

Haydom Lutheran Hospital

ELCT Mbulu Diocese

Pricelist HLH Guesthouse

from 1-3-2025

Price of accommodation (Full Board):

All non-exempted guests	US\$ 25 per person per night, incl. meals
Students	US\$ 25 per person per night, incl. meals; in case of more than one person sharing the same guesthouse room the price is US\$ 20 per person per night

For administrative simplicity, we generally only charge “full board” prices. No discounts are given to guests who skip meals at the guesthouse. You will be charged for the full period that you have reserved your accommodation. If you arrive later than the planned date or leave earlier and you give notice of this at least 4 weeks before your arrival we will change the period of your reservation. You don’t get a discount if you leave your room for a few days for an excursion or other purposes.

Volunteers who feel they deserve to be exempted from accommodation charges may apply for exemption by e-mail to expats@haydom.co.tz. Exemption can be granted only by management decision.

If a non-staying visitor wishes to eat at the guesthouse, the following meal-prices apply:

Breakfast	US\$ 2,00
Lunch	US\$ 3,00
Dinner	US\$ 3,00

Please note that the guesthouse should always be informed at least three hours prior to the meal. In case of groups (4 or more people) the guesthouse in-charge or assistant in-charge should be notified at least 24 hours in advance.

PRICE OF LAUNDRY SERVICE

Clothes can be washed in the modern guesthouse laundry. Guests can pay either for a half-full machine or a full machine (guesthouse staff determines when the machine is full, no overfilling allowed). Soap is included in de price.

Half full laundry machine	US\$ 2,50
Full laundry machine	US\$ 4,00

If you stay in the student house or in a family house for a longer period you might want to have a maid, doing the laundry for you and also help you with your household activities. Maids can only be hired through the Public Relations Manager, Clementina Dakay, or through Emanuel Fabiano. The price for a maid is TZS 10,000 per day.

PRICE OF RENTING GAS CYLINDERS

A full gas cylinder	TZS 60,000
---------------------	------------

Gas will be charged only to guests stay in in family houses who are exempted from payment for accommodation.

INTERNET CONNECTIVITY

Given our remote location, our internet is scarce and costly. A low bandwidth connection is available for free in the guesthouse, this is the “hlh-guest” network. Ask the guesthouse staff for the password. Additionally, the following paid options are available.

Another option to get faster internet is to buy in Haydom town a local SIMcard and buy internet. Vodacom offers 32 Gb for one month for TZS 50.000 (around USD 25, Nov. 2022) or 12 Gb for TZS 20.000 (around USD 10).

SMALL ITEMS AND SOUVENIRS ON SALE AT THE GUESTHOUSE (..only when available; ask the guesthouse for the actual assortment)

Item	Price in TZS
Scones	400
Chapati Laini / pancakes	500
Chapati ngumu / chapati	500
Samosa	1.000
Caki kubwa / large cake	20.000
Caki ndogo / small cake	15.000
Cinnamon	500

The book *The Haydom Adventure* describes how the hospital was started and how it developed. A very interesting book to know more about the background of the hospital. It is sold at the bookshop next to the entrance road to the hospital.

Book "The Haydom Adventure"	25.000 (or US\$10)
-----------------------------	--------------------

You can also buy picture postcards from Haydom to send home. The postcards are for sale for TZS 2,000 each, or six for TZS 10,000. At the post office at the entrance of the compound you can buy stamps, you need a stamp of TZS 2,000 for sending the card to Europe or the US.

You can also buy souvenirs at the guesthouse: paintings, wooden crafts etc. Prices are mentioned on the pricelist. For payment we prefer payment with your creditcard (the guesthouse staff has a creditcard machine). When you don't have a creditcard you can pay cash in Tanzanian Shillings or US Dollars.

All profit that is made on the souvenirs will be fully contributed to the hospital.
