

**Haydom Lutheran Hospital**  
ELCT Mbulu Diocese

# List of equipment and supplies needed

## A. LABORATORY

### Equipment

1. blood gas analyzer
2. ESR machine portable one
3. rapid glucose machines
4. microscope
5. incubator
6. autoclave
7. blood products separation machines
8. portable coagulation machine

### Supplies

- a. ESR pipettes
- b. glass slides
- c. Ependorf pipettes automatic also measures volumes
- d. cylinders both glass type and plastic 200mls,500mls,1000mls
- e. beakers glass type, heat resistance 200mls,500mls,1000mls
- f. flat conical flasks
- g. round conical flasks

## B. THEATRE

### Highly needed equipment

1. bronchoscopy – rigid and flexible (small, medium and large)
2. foreign body removal forceps – small medium and large
3. gigli saw
4. otoscope set
5. equipment for foreign body removal (nose & ear)
6. laryngoscope with blade
7. portable pulse oximeter
8. tonsillectomy sets

**Other equipment**

- a. craniotomy set
- b. guider in craniotomy set
- c. bone elevators
- d. bone nibra
- e. artery forceps
- f. curettage for DNC
- g. curettage DNC for evacuation
- h. sign nails screws
- i. K-wire
- j. IM nails
- k. drill bits
- l. mayor scissor
- m. suction tubes
- n. suction machines
- o. diathermy machine and wires
- p. orthopedic instruments
- q. P.O.P. saw
- r. anesthesia machine
- s. OGD scope
- t. operation beds

**C. RADIOLOGY**

1. CR machine (highly needed)
2. automatic injector pump for CT + syringes (highly needed)
3. USS machine with colour and duplex Doppler functions
4. modern echocardiography machine
5. digital x-ray
6. MRI

**D. PHYSIOTHERAPY**

- a. Vibration machine
- b. Wheelchairs

Do you have any of these items for us available, please contact [fundraising@haydom.co.tz](mailto:fundraising@haydom.co.tz). Please be aware that sending equipment to Tanzania always causes expenses for freight and import duties. And there are some strict regulations set by the Tanzanian customs. So for example it is not allowed to import goods with an expired date. Again, please contact us for more information.
