FOR ARCHTECTURAL DRAWING OF THE HOSPITAL BUILDING TO BE BUILT AT HAYDOM
LUTHERAN HOSPITAL COMPOUND IN MBULU DISTRICT- MANYARA REGION- TANZANIA**

REQUEST FOR EXPRESSION OF INTEREST

Date: 27 May 2021

The Haydom Lutheran Hospital is planning to construct a new in-patient hospital building

1. The **scope of the assignment includes but not limited to:**
 - a) Collect the needs of the hospital for the new in-patient building and review the entire sketch map design in view of identifying areas (if any) that needs Client's attention and advice
 - b) Review the current hospital compound and area where the construction is proposed and advice the Hospital management accordingly.
 - c) Prepare and submit the drawings fitting the hospital needs for the proposed new in-patient building
 - d) Prepare and submit the Bill of Quantity for the proposed building which should be in phases as will be agreed with the hospital management
 - e) Prepare the material list needed for the whole project until completion of the work
 - f) Preparation of the project completion report
2. The Haydom Lutheran Hospital invites eligible architectural companies/ consultant registered with Architectural and Quantity Surveyors Registration Board (AQRB) to express the interest of doing the architectural drawing and BOQ of the proposed hospital building. Interested Companies/individuals are invited to provide information indicating their qualifications and experience of doing the task. Such information may include brochures, Description of assignment of similar nature in the last 5 years, Experience in similar conditions, Availability of appropriate managerial and technical skills among staff related to the assignment, etc. For each completed project, the Consultants shall provide the name and address of the Client, Start and completed dates, name(s) of lead and associate firms. Cited project with insufficient information will not be considered.
