VOLUNTEERS

When you are a volunteer in an area that Haydom can use you very well, like in IT, accounting, HR, Fundraising, you are most welcome to apply for volunteer work.

See our document VISA about the requirements to get your working permit and doctors' permission.

How to apply?

Send an e-mail with your motivation letter, preferred period of stay and CV and your profession to expats@haydom.co.tz

What happens if I apply?

We will see if we can use your expertise. You will receive an answer from the expats coordinator to approve or reject your application. Please note that it can sometimes take a while to get an answer.

What should I arrange after approval?

Read the VISA document carefully as it makes a big difference if you stay less than three months or more than three months. Collect the documents as mentioned on the VISA document. Volunteers staying shorter than three months are obliged to use the guesthouse accommodation of the hospital during their stay at Haydom, which is planned by the expats coordinator. More information you can find in the document Accommodation.

More information about your preparations and what to take, you can find in the document Preparations for your visit.

What costs are involved?
